CSI Minnesota - Credit Score Investigation (7.5 hours):

Popular instructor and credit guru, Todd Rooker, will teach you how to help clients with damaged credit. You will learn trade secret strategies that can influence and improve anyone's credit score. You will also learn how to help clients develop a good credit budget and manage income. You will understand the differences between credit repair companies and what they can do for you. In addition, you'll look at the credit effects of short sales, foreclosure and lease option contracts. With an estimate of 2.5 million mortgages defaulting this year, understanding credit and credit repair has become a crucial skill to know.

Some of the topics covered include: How credit scores affect everything, What influences a bad credit score, What influences a good credit score, How to build a good credit budget, Strategies for long-term credit repair, How to recover from bankruptcy and foreclosure and much more!
