“How do I verify my CE Credits?”

The place for all Agents to check their MN credits is here:

1. Go to www.pulseportal.com
2. From the main screen, use the drop down to select Minnesota Department of Commerce
3. From the 2nd drop down that appears “Choose A Board”, select “Real Estate”
4. Once “Real Estate” is selected (from the drop down), a sub-menu will appear.

It is here that you can verify CE Credits (“Review your CE Transcripts” under Search/Inquiry Services), print licenses along with various other options for Brokers/REALTORS licensed in MN. Note: To access specific records, you will be required to enter the Last Name, License Number, and SSN of the licensee.

Pulse Portal tracks MN CE Only. If you took a WRA Course for MN Credits, it will be uploaded to Pulse Portal for viewing.
