Jake Erickson was born and raised in La Crosse and was a graduate of Logan High School. Growing up, Jake spent many hours at the Club enjoying sports, activities, and building friendships. During his high school years, Jake served in many part time roles working at the Club. His time as a Club staff helped create his passion for working with youth. Upon graduation, Jake moved to Minneapolis to pursue a new career opportunity. However, he quickly realized that impacting youth in the La Crosse community was his true passion. In 1997, Jake returned to the La Crosse area and began his first full time position as the Athletic Director at the Boys & Girls Club. Jake held several other roles within the Club such as Site Director and Director of Operations prior to being named the Club's CEO in 2017.
